Summary

Ambitious Computer Science Engineering student graduating in 2027 with strong foundations in Java, Python, JavaScript, SQL, and full-stack development. Experienced in software engineering practices, database management, and AI prompt engineering with hands-on development of scalable web applications and data-driven solutions using MySQL, MongoDB, AWS, and modern frontend frameworks. Interested in software development, backend engineering, and data engineering with a strong focus on continuous learning and problem-solving.

Education

Parul University, Vadodara
B.Tech in Computer Science Engineering

July 2023 – April 2027
CGPA: 7.6

Projects

ScoutFlow AI

April 2026 – May 2026

- Built an AI-powered recruitment assistant that automates resume screening and candidate profile analysis.
- Designed intelligent workflows to streamline hiring and improve recruitment efficiency.
- Focused on identifying the best candidates using AI-driven insights and automation.
- **Tech Stack:** Python, Machine Learning, NLP, React

Expense Tracker

Jan 2026 – Feb 2026

- Developed a scalable MERN-based Expense Tracker with secure authentication and REST APIs.
- Implemented interactive dashboards for real-time financial insights and visualization.
- Optimized frontend-backend communication for improved performance and user experience.
- **Tech Stack:** MongoDB, Express.js, React.js, Node.js, JWT, REST APIs, Chart.js, Axios, Git

Skills

- **Programming Languages:** Python, Java, JavaScript
- **Web & Backend Development:** FastAPI, REST APIs, HTML, Tailwind CSS
- **Databases:** MySQL, MongoDB
- **Cloud & Deployment:** AWS
- **Data Analytics & Visualization:** Power BI, Tableau
- **Software Development Practices:** SDLC, Agile Methodologies
- **Core Computer Science:** Data Structures and Algorithms
- **AI & Automation:** Prompt Engineering, Conversational Workflow Design

Certifications

- Deloitte Data Analytics Work Simulation
- Google Prompting Essentials
- IBM Software Engineering
- Google Agile Essentials
- Implement the Scrum Framework – Google

Languages

- English
- Hindi
